# Fine Arts Summer Camp

Welcome to the wonderful world of the theater!

Immerse your child in a day designed to enrich them and expand their imagination. Through theater games, acting, and artistic expression children learn to focus, concentrate their energies, and improve their writing and communication skills. The fine arts promote skills that enhance children's self esteem, make it easier to step into new situations, and help them problem-solve. This summer we look to the greatest playwright of all time, Shakespeare. We will explore elements of Elizabethan Theatre, music and dance while producing a Shakespearean inspired play. Great for all ages!!!
