

ST. JOHN SCHOOL

PARENT PARTICIPATION PROGRAM 2009-2010

Purpose

In keeping with the philosophy of St. John School, the role of the parents is crucial. The volunteer hour system is designed to involve parents in the education of their child(ren), to build a strong faith community, and to provide an incentive for parents to contribute to the operation of the school in ways that will reduce or eliminate tasks that would require extra monetary outlay by the school.

Hour Requirements

Each family is asked to volunteer 30 hours per school year. If you do not contribute 30 hours of service, we ask that you make a donation of \$15.00 per hour. There are numerous ways in which families can volunteer at St. John School. Aside from assisting directly in the classroom, there are volunteer committees and opportunities through the Eagle Parent Group.

Recording of Hours

Please record your hours each month using the following grid. You will be asked to turn in your recording sheet at the end of each quarter with your child's report card. Thank you!
