

November 4<sup>th</sup>, 2011

Dear Families:

Saint John School will begin an after-school Homework Club for middle school students beginning on Monday, November 28<sup>th</sup>, 2011. The St. John's Homework Club will offer a safe, quiet, structured environment for your child to do his/her home learning assignments with the assistance of a teacher.

I will work closely with the students to help them get their work done, study for upcoming tests, and build lifelong study skills and organizational habits. This is not a tutoring program. I *will* monitor students, ensure that they are on task, and answer questions regarding directions for homework assignments and/or tests; however, I *will not* re-teach lessons or conduct one-on-one instruction. I will communicate with parents/guardians when a child is struggling with assignments or falling behind with his/her work. Activities and learning centers will be available to students who need to improve organizational skills and/or study habits.

The HW Club will meet Monday through Thursday from 3:00 to 4:15 P.M. in my 6<sup>th</sup> grade classroom located above the music room. Parents will pick up students outside the glass doors of the middle school building.

Please feel free to contact me at (760) 944-8227 x121 or [bhall@saintjohnschool.com](mailto:bhall@saintjohnschool.com) with any questions or concerns.

Sincerely,

Ms. Hall
