December 12, 2011

Dear Saint John Families:

We just completed our mid-year review of the volunteer hours. Some families have already completed all of their 30 hours of volunteer time, great job! Thank you! For those of you who still have some hours to complete there are many occasions for you to do so after the Christmas break.

Please check the Eagle Group website for volunteer opportunities that are posted every month. If you do not have time to volunteer there is an "opt out" option available that you can take advantage of by leaving your check at the front desk. It will get credited directly to your family's account.

Thank you for volunteering and for your commitment to Saint John School.

Have a very Merry Christmas and see you in the New Year!

Sincerely,

Brenda Fonzo  
Volunteer Hour Chair
