

# **SIMPLY SPECTACULAR SCIENCE**

Get **EXCITED** for our **NEW** 8-weeks long after school program that allows students to explore the real world of science through **seeing, feeling, and experimenting!!!**

Wednesdays after school from 2:45-3:45 pm starting on **January 13 - March 3, 2010**. The winter curriculum will cover the following subject areas:

- **ANATOMY - MUSCLES and BONES: How do they work?**
- **BOTANY - Find which plant is the most dangerous.**
- **ENTOMOLOGY - All about SPIDERS!**
- **PHYSICS - How does that "magnet" work?**
- **SPACE - Did you know that it rains diamonds on Neptune?**
- **And so much more....**

**Cost:** \$125 per student (Make checks payable to St. John School)

**NOTE:** Space is limited to 20 students per class. All materials are included. Students not picked-up by 4:00pm will automatically be sent to after care.

**Sign-ups must be turned in to the office no later than Monday, January 11<sup>th</sup>, 2010!**
