

SIMPLY SPECTACULAR SCIENCE

Come and experience some **SCIENTIFIC FUN** with our 8-week long after-school program. Students will explore the real world of science through **seeing, feeling, and experimenting!!!**

Wednesdays after school from 2:45-3:45 pm starting on **April 14 - June 2, 2010**. The spring curriculum will cover the following subject areas:

- **GEOLOGY: Let's make a volcano!**
- **LIFE CYCLES: Experience real Tadpoles become FROGS!!!**
- **MARINE BIOLOGY: All about SEA HORSES!**
- **ANATOMY: Did you know that your thigh bone is stronger than concrete?**
- **PHYSICS: How fast can the THRUSTER 5000 go?**
- **And so much more....**

Cost: \$125 per student or Drop-ins @ \$20/class (Make checks payable to St. John School)

NOTE: Space is limited to 20 students per class. All materials are included. Students not picked-up by 4:00pm will automatically be sent to after care.

Sign-ups must be turned in to the office no later than Monday, April 12th, 2010!
